MILITARY  
SERVICE

I asked the person spoken to whether recipient was in active military service of the United States or of the State of New York in any  
capacity whatever and received a negative reply. Recipient wore ordinary civilian clothes and no military uniform. The source of  
my information and the grounds of my belief are the conversations and observations above narrated. Upon information and  
belief I aver that the recipient is not in military service of New York State or of the United States as that term is defined in either  
the State or in the Federal statutes.
